

Where is my Customer Login on the Website ?

Until May 25th, 2018, each German company has to fulfill the requirements of the new EU General Data Protection Regulation (GDPR). Otherwise, adhortatory letters and controlling fines can be imposed by the authorities.

The EU-GDPR especialle define a high level of requirements for the security and protection of personal customer data. Therefore, the customer account with personal information about the license holder available until now on Homepage www.onyxceph.com and mirrored websites will in future be exclusively loaded via secured HTTPS connection to be displayed by shortcut [€] on main window tab [Online] in the client application.
