

Request License Activation / Renewal / Upgrade

There are 3 alternative ways¹ to open the activation / renewal / upgrade request form.

1. from [Main menu](#)
2. from program [OnyxRegister](#)
3. from [Info menu](#)

Add short notes or even questions in input field Message - e.g., if the request is for testing 3D modules.

[▶ License activation](#)

¹ To reactivate a license after the server was moved to a new hardware, program OnyxRegister needs to be

opened standalone from local program folder OnyxCeph3 (Type 2 above).
